Ann Radcliffe: The Great Enchantress Robert Miles

To her contemporaries, Ann Radcliffe was "The Great Enchantress". Her wild and stormy Gothic romances made her one of the most popular and successful writers of the late-18th century. This is an introduction to her life and work, written especially for first- and second-year undergraduate students of literature and culture. Radcliffe was lampooned by many for the excesses of her writing - the craggy mountains, gloomy forests, ghosts, orphans, fainting heroines, fantastic resolutions - and yet her influence was felt across England and throughout Europe. The 1790s was a time of great social and political upheaval and Miles argues that Radcliffe should be read not as a conservative writer, but one who creatively renders visible the power structures of her time, place, gender and class. This work is intended for all students of the period and for anyone interested in the Gothic genre and women's writing.

Michael Palmateer:

As a pupil exactly feel bored to be able to reading. If their teacher expected them to go to the library or even make summary for some reserve, they are complained. Just tiny students that has reading's heart and soul or real their interest. They just do what the instructor want, like asked to go to the library. They go to right now there but nothing reading very seriously. Any students feel that reading is not important, boring and can't see colorful photographs on there. Yeah, it is being complicated. Book is very important to suit your needs. As we know that on this era, many ways to get whatever you want. Likewise word says, ways to reach Chinese's country. Therefore , this Ann Radcliffe: The Great Enchantress can make you experience more interested to read.
