Madero: Una biografía (Spanish Edition)

Elmy Grisel Lemus Soriano

Madero: Una biografía (Spanish Edition) Elmy Grisel Lemus Soriano

Esta breve biografía nos lleva de la mano por la vida de Francisco I. Madero, el hombre que inició la Revolución Mexicana y que abrió el camino hacia la democracia en México. Madero no sólo era un político, era también un hombre muy educado, un empresario de abolengo, un creyente fervoroso del espiritismo y, sobre todo, un soñador: de joven soñaba con viajar por Europa y África. Más tarde, su sueño fue ser maestro espírita, hablar con los ya fallecidos para poder conocer sus designios y contribuir a la paz del mundo. Su último sueño: restaurar el liberalismo en México y dotar al país de un gobierno auténticamente democrático. A más de cien años de su muerte, es pertinente conocer la vida y legado de uno de los personajes históricos más relevantes de América Latina.
