White Horse Yan Ge

“Vivid,—White Horse—mesmerizes from page one as events unfold through the unassuming lenses of a child’s mind. In recounting how young Yun Yun is trying to make sense of real life experiences in an adult world, Author Yan Ge weaves a fascinating tale of receptive hearts, rebellious spirits and hidden secrets infused with cultural values in this small Chinese community.” Lema Abeng-Nsah, Publisher and Editorial Director of—Dunia Magazine—Young, innocent Yun Yun lives with her widower father in a small town in West China but spends half of her time at her cousin Zhang Qing's house, where they play and hide from the adults. However, Yun Yun's world starts to shatter when Qing enters middle school and turns into a rebellious teenager. As all things collide and family secrets begin to unravel, Yun Yun is quietly forced into growing up herself. A powerful coming-of-age tale with piercing insights into contemporary Chinese culture, acclaimed novelist Yan Ge's—White Horse—is both a touching and thought-provoking story.

REVIEWS: Yan Ge is a master of extreme realism. This is something already recognised in her native country - China - where she has won the Chinese Literature Media Prize. Nicky Harman’s translation has opened up the text for an English speaking audience. Overall White Horse is a typical example of a bildungsroman. It follows Yun Yun, via her childish voice, through a quagmire of growing pains. On another level the book is also interesting as a cultural document. For such a short book, Ge certainly manages to take on a wide range of themes. She looks at death, lack of identity, young lesbian experiences, mental illness and social welfare. The novella is a good read as a social study as much as it is a story. (CADAVERINE Magazine)

Ethel Swafford:

As a college student exactly feel bored to help reading. If their teacher expected them to go to the library as well as to make summary for some e-book, they are complained. Just little students that has reading's internal or real their interest. They just do what the educator want, like asked to the library. They go to there but nothing reading really. Any students feel that reading through is not important, boring and can't see colorful pictures on there. Yeah, it is to be complicated. Book is very important in your case. As we know that on this time, many ways to get whatever we wish. Likewise word says, many ways to reach Chinese's country. So , this White Horse can make you experience more interested to read.
