REVIEWS

"This is the "modelers' bible" of the decade... highly recommended is not nearly enough praise for this work...every modeler should own this." Armorama.com June 2006 "...photos are excellent, and most have not been published before to my knowledge. ...Should definitely be on your list for prospective purchase if you are interested in French P-47's... useful and highly recommended. " IPMS# 43146 "...universally acknowledged as the definitive book on the art of painting and transforming military vehicles...goes without saying that I heartily recommend this book..." Military Scale, 06/01/2011
