## **Field Guide to the Wildflowers of the Western Mediterranean** Chris Thorogood

The Western Mediterranean is home to more than 10,000 plant species, which makes it one of the most important regions in the world for biodiversity. This book is the most comprehensive and up-to-date guide to Western Mediterranean wildflowers, covering southern Europe from the Portuguese Algarve to Italy, and Morocco to Tunisia in North Africa, along with all the islands in between. It features 2,500 plants, and its more than 800 line drawings and color photographs make it the ideal companion for field identification.
