Remote Feed: Stories

David Gilbert

Remote Feed: Stories David Gilbert

“Gilbert’s dead-on mimicry of conversational rhythms makes even the most ludicrous exchanges sound plausible, and he applies physical details sparingly and potently...wickedly funny.” —Adam Goodheart, *The New York Times Book Review*

The masterfully crafted stories that comprise *Remote Feed* mark the auspicious debut of a daring and remarkably perceptive writer. From war-torn Bosnia to a college sorority house to kill-or-be-killed Hollywood, David Gilbert uses bold prose and dark wit to paint a devastating picture of “normal” life on the brink of desperation and paranoia. His insights into the minor tragedies, disappointments, and desires that shape us reflect a deep understanding of human nature and a genuine compassion for his characters.

Filled with startling twists, piercing irony, and layers of meaning, the world Gilbert creates in *Remote Feed* is a complex one—often hilarious, sometimes frightening, but always fascinating.

“The short stories in David Gilbert’s *Remote Feed* speak volumes about the ways modern men seek adventure and comfort.” —Sara Nelson, *Glamour*

“These stories are funny and thoroughly entertaining...Keep an eye on this guy David Gilbert.” —Mike Musgrove, *The Washington Post*

From reader reviews:

Kimberly Gonzalez:

In this 21st century, people become competitive in each and every way. By being competitive currently, people have to do something to make themselves survive, being in the middle of typically the crowded place and notice by simply surrounding. One thing that sometimes many people have underestimated that for a while is reading. Sure, by reading a publication your ability to survive increases then having a chance to stand out that is high. For you personally who want to start reading some sort of book, we give you that Remote Feed: Stories book as a nice and daily reading book. Why, because this book is usually more than just a book.

Emile Guzman:

Do you certainly one of those people who can't read satisfying if the sentence is chained inside straightaway, hold on guys that aren't like that. This Remote Feed: Stories book is readable simply by you who hate those perfect word styles. You will find the information here arranged for an enjoyable reading experience without leaving perhaps decrease the knowledge that you want to give to you. The writer involving Remote Feed: Stories content conveys prospect easily to understand by many people. The printed and e-book are not different in the content material but it is just different such as it is. So, do you even now think Remote Feed: Stories is not loveable to be your top record reading book?

Patricia Bush:

Nowadays reading books are more than want or need but also work as a life style. This reading addiction gives you a lot of advantages. The huge benefits you get of course the knowledge the particular information inside the book in which improve your knowledge and information. The details you get based on what kind of guide you read, if you want send more knowledge just go with knowledge books but if you want really feel happy read one using theme for entertaining such as comic or novel. The particular Remote Feed: Stories is kind of book which is giving the reader an unforeseen experience.

Earnest Koontz:

Do you like reading a reserve? Confuse to looking for your favorite book? Or your book was rare? Why so many questions for the book? But just about any people feel that they enjoy to get reading. Some people like examining, not only science book but novel and Remote Feed: Stories or maybe others sources were given know-how for you. After you know how good a book is, you feel need to read more and more. Science book was created for teacher or maybe students especially. Those books are helping them to increase their knowledge. In other case, beside science reserve, any other book likes Remote Feed: Stories to make your spare time more colorful. Many types of book like this one.
