**The Genesis Code** Christopher Forrest

Michael Crichton meets Dan Brown in this novel of the *real* secret code hidden in human DNA.

Nobel Prize--winning geneticist Joshua Ambergris has made an astounding discovery that will shake the foundations of science: He has discovered a coded text hidden in human DNA.

Before Ambergris can change the course of history by announcing his incredible discovery, he is brutally murdered in his office at Triad Genomics, an international biotech company. Ambergris has left behind a labyrinthine series of clues that ultimately reveals the truth: *There is a message from a much earlier, more sophisticated human civilization encoded in the human genome!*

Who planted this code eons ago? And why? And can it be decoded before it's too late? Ambergris's protégé, Christian Madison, and his assistant, Grace Nguyen, must follow the serpentine trail to uncover a global conspiracy of silence, secrecy, and murder that spans the breadth of human history.

A shadowy group known only as the Order guards the ancient secret enciphered in the mythologies and architecture of Earth's oldest civilizations and encoded into the very fabric of human DNA. Ambergris's clues lead Madison and Nguyen through the mysteries of the Maya and ancient Egypt, the forgotten knowledge of Sumeria, and the enigmas of modern science. Pursued at every turn by Ambergris's killers, Madison and Nguyen race to uncover the secrets of the Genesis Code before the Order can carry out the final, sinister step of a genocidal plan.

Driven by scientific fact and new interpretations of ancient writings, symbolism, and mythology culled from thousands of years of human history, *The Genesis Code* digs deeply into the questions of the *real* nature of the human DNA code.

### From reader reviews:

#### **Mary Johnson:**

Reading a reserve tends to be new life style in this era globalization. With studying you can get a lot of information which will give you benefit in your life. Along with book everyone in this world can easily share their idea. Publications can also inspire a lot of people. Many author can inspire their very own reader with their story or maybe their experience. Not only the storyline that share in the books. But also they write about the knowledge about something that you need example of this. How to get the good score toefl, or how to teach your kids, there are many kinds of book that you can get now. The authors on earth always try to improve their talent in writing, they also doing some exploration before they write with their book. One of them is this The Genesis Code.

#### **Margaret Thompson:**

Why? Because this The Genesis Code is an unordinary book that the inside of the reserve waiting for you to snap the idea but latter it will distress you with the secret that inside. Reading this book close to it was fantastic author who also write the book in such awesome way makes the content inside of easier to understand, entertaining technique but still convey the meaning completely. So , it is good for you for not hesitating having this anymore or you going to regret it. This amazing book will give you a lot of benefits than the other book get such as help improving your proficiency and your critical thinking approach. So , still want to hold off having that book? If I ended up you I will go to the publication store hurriedly.

#### **Cindy Coleman:**

As we know that book is very important thing to add our know-how for everything. By a e-book we can know everything we wish. A book is a set of written, printed, illustrated or perhaps blank sheet. Every year was exactly added. This book The Genesis Code was filled with regards to science. Spend your time to add your knowledge about your science competence. Some people has several feel when they reading a new book. If you know how big good thing about a book, you can truly feel enjoy to read a book. In the modern era like today, many ways to get book you wanted.

#### **Dianne Roy:**

Guide is one of source of expertise. We can add our know-how from it. Not only for students but in addition native or citizen have to have book to know the revise information of year in order to year. As we know those guides have many advantages. Beside we all add our knowledge, may also bring us to around the world. With the book The Genesis Code we can take more advantage. Don't you to definitely be creative people? To get creative person must want to read a book. Just simply choose the best book that suitable with your aim. Don't always be doubt to change your life with that book The Genesis Code. You can more inviting than now.
