The Mantle and Other Stories

Nikolai Gogol

The Mantle and Other Stories Nikolai Gogol

A collection of short stories by Russian-Ukrainian novelist, poet, and dramatics Nikolai Gogol. It collects some of his most well-known and influential stories: The Mantle (more famously known by the title 'the Overcoat'), The Nose, Memoirs of a Madman, A May Night, and The Viy. His work was considered the preeminent in the Russian Realist genre at the time, though later critics consider his work inherently Romantic, with flourishes of the surreal and the grotesque. He was a primary influence for the novelist and social critic Fyodor Dostoevsky.
