For each of us, there is a connection between our early family dynamics and experiences and our current attitudes and decisions. Many of the people Dr. Laura has helped did not realize how their histories impacted their adult lives, or how their choices in people, repetitive situations, and decisions -- even their emotional reactions -- were connected to those early negative experiences, playing a major role in their current unhappiness.

In *Bad Childhood -- Good Life*, Dr. Laura will guide you to accept the truth of the assaults on your psyche and soul, understand your unique coping style and how it impacts your daily thoughts and actions, and help you embrace a life of more peace and happiness.
