Ferri's Practical Guide: Fast Facts for Patient Care Fred F. Ferri

For nearly 25 years, Ferri's **concise, pocket-sized resource** has served as **the go-to reference for practical, clinical information** among students, residents, and other medical professionals. Formerly known as *Practical Guide to the Care of the Medical Patient*, **this volume continues to provide a fast, effective, and efficient way to identify the important clinical, laboratory, and diagnostic imaging information you need to get through your internal medicine clerkship or residency.**

- **Consult this title on your favorite device**, conduct rapid searches, and adjust font sizes for optimal readability.
- Benefit from the expert guidance of Dr. Fred Ferri, a leading teacher, clinician, and author.
- **Confidently manage patients** with the latest clinical information, drug therapies, and lab tests.
- **Apply the latest knowledge and techniques** with this updated and streamlined title, which still stays true to the Ferri name.
- **Quickly find important information** with content organized into three major sections: **Section I**, titled "Surviving the Wards," contains information on charting, laboratory evaluation and formulary; **Section II** provides the differential diagnosis of common signs and symptoms likely to be encountered in the acute care setting; **Section III** has been completely revised and subdivided into 11 specialty specific diseases and disorders.
