Introducing Christianity: Exploring the Bible, Faith, and Life

James C. Howell

Introducing Christianity: Exploring the Bible, Faith, and Life James C. Howell

This introductory-level book on Christianity looks clearly at what the church believed and taught throughout its history. Hard questions about the Bible, theology, and the Christian life are dealt with. As author, veteran scholar, and pastor James Howell puts it, "Great hope rests in thinking through these questions." In doing so, he explores what it means to live as a Christian, as part of the church community, and also what it means to live with the hope Christian faith provides, even for those who "previously believed there was no hope. Study questions for discussion are included.

From reader reviews:

Quentin Ryan:

What do you consider book? It is just for students since they are still students or this for all people in the world, the particular best subject for that? Merely you can be answered for that issue above. Every person has diverse personality and hobby for each and every other. Don't to be compelled someone or something that they don't would like do that. You must know how great and important the book Introducing Christianity: Exploring the Bible, Faith, and Life. All type of book are you able to see on many sources. You can look for the internet methods or other social media.

Caleb Jones:

The e-book with title Introducing Christianity: Exploring the Bible, Faith, and Life has lot of information that you can learn it. You can get a lot of benefit after read this book. That book exist new information the information that exist in this guide represented the condition of the world right now. That is important to you to understand how the improvement of the world. This book will bring you throughout new era of the internationalization. You can read the e-book on your smart phone, so you can read that anywhere you want.

Tammy Schuler:

As a pupil exactly feel bored for you to reading. If their teacher requested them to go to the library or make summary for some publication, they are complained. Just minor students that has reading's internal or real their interest. They just do what the educator want, like asked to the library. They go to there but nothing reading critically. Any students feel that looking at is not important, boring along with can't see colorful images on there. Yeah, it is to be complicated. Book is very important for you personally. As we know that on this period of time, many ways to get whatever we wish. Likewise word says, many ways to reach Chinese's country. Therefore this Introducing Christianity: Exploring the Bible, Faith, and Life can make you experience more interested to read.

Cody Chenault:

What is your hobby? Have you heard in which question when you got students? We believe that that question was given by teacher to the students. Many kinds of hobby, All people has different hobby. And you also know that little person like reading or as examining become their hobby. You have to know that reading is very important and book as to be the thing. Book is important thing to provide you knowledge, except your own personal teacher or lecturer. You will find good news or update about something by book. Amount types of books that can you go onto be your object. One of them is niagra Introducing Christianity: Exploring the Bible, Faith, and Life.
