La patria pensada: El último tramo del gobierno de Cristina (Spanish Edition) Eduardo Anguita
La Argentina se aproxima a una nueva transición presidencial. Más que nunca, esta ocasión impone la necesidad de trazar un balance y asumir un debate valiente que trascienda las pasiones circunstanciales.

Con su estilo personalísimo y su inteligente mirada, Eduardo Anguita analiza los temas centrales que deben ser revisados en estos años y convoca a pensar en una democracia participativa, en reformas que enfrenten el poder económico concentrado y sus aliados en el poder político y promuevan avances significativos en el terreno de la lucha por la igualdad.

En *La patria pensada* las ideas de una decena de destacadas personalidades, el análisis económico de Horacio Rovelli y las opiniones de la gente de la calle enriquecen el texto: Juan Manuel Abal Medina, Juan Carr Alberto Fernández, Horacio González, Gustavo Grobocopatel, Stella Maldonado, José Natanson, María O'Donnell, Felipe Pigna, Maristella Svampa.
