Pagan Metaphysics 101: The Beginning of Enlightenment Springwolf

Gain an introductory understanding of metaphysical concepts from a pagan perspective, beginning with the first principles of the creation of the Universe through the Celestial Soul Groups and their influence upon the evolution of life and expansion of spirit. From basic metaphysical models, the reader learns about the anatomy of the Soul and how it is connected to the Spirit and the Divine Universal Energy. Answers are provided for important questions: Of what is the Soul made? How does it learn? Where are those memories kept within the Spiritual Being? How does the Soul connect through energy to the physical body, other spirits, and the Greater Divine Consciousness within the Universe? Through this learning process, individuals can walk through every moment of the day with a sense of higher purpose, greater connection to their spiritual mission, and with insight to meet their personal and spiritual goals.
