"The Great American Dream of cruising down the parkway, zipping from here to there at any time has given way to a true nightmare that is destroying the environment, costing billions and deeply impacting our personal well-being. Getting from A to B has never been more difficult, expensive or miserable. It doesn't have to be this way. Jeffrey Tumlin's book *Sustainable Transportation Planning* offers easy-to-understand, clearly explained tips and techniques that will allow us to quite literally take back our roads. Essential reading for anyone who wants to drive our transportation system out of the gridlock."

**-Marianne Cusato, home designer and author of *Get Your House Right: Architectural Elements to Use and Avoid***

The book is full of useful ideas on nearly every page.
