The Woman I Kept to Myself

Julia Alvarez

The Woman I Kept to Myself Julia Alvarez

The works of this award-winning poet and novelist are rich with the language and influences of two cultures: those of the Dominican Republic of her childhood and the America of her youth and adulthood. They have shaped her writing just as they have shaped her life. In these seventy-five autobiographical poems, Alvarez's clear voice sings out in every line. Here, in the middle of her life, she looks back as a way of understanding and celebrating the woman she has become.
