Youth Ministry on a Shoestring: How to Do More with Less Lars Rood

Most youth pastors find it a constant struggle to get enough money allotted to their ministry's budget, and with the latest recession, they're feeling the crunch now more than ever as churches are cutting costs anywhere they can. But a youth pastor doesn't have to feel stuck. In *Youth Ministry on a Shoestring*, youth workers will find innovative ideas to help them discover useful resources in places they hadn't looked before. In his 20 years of youth ministry, Lars Rood has had his share of tight budgets, and he found that by looking at things from a different perspective, he was able to make his ministry work with limited funds. Here, Rood helps youth workers discover resources in the things around them, or through partnerships and people around them. He offers hope and encouragement to (often) frustrated youth workers as he guides them toward a new perspective when it comes to their ministry budgets.
