Eastern Spring: A 2nd Gen Memoir Neil Kulkarni

From the grey streets of Coventry, to the green jungles of India, Neil Kulkarni chases the sounds of his past and ancient songs from the sub-continent to try and find himself a new way of listening to some of the oldest music on earth. Part touching memoir, part ferocious polemic, An Eastern Spring confronts race and the ghosts of the past in a fearless attempt to map our past, present and future as western music listeners.
