## **Hell at the Breech** Tom Franklin

In 1897, an aspiring politician is mysteriously murdered in the rural area of Alabama known as Mitcham Beat. His outraged friends -- —mostly poor cotton farmers -- form a secret society, Hell-at-the-Breech, to punish the townspeople they believe responsible. The hooded members wage a bloody year-long campaign of terror that culminates in a massacre where the innocent suffer alongside the guilty. Caught in the maelstrom of the Mitcham war are four people: the aging sheriff sympathetic to both sides; the widowed midwife who delivered nearly every member of Hell-at-the-Breech; a ruthless detective who wages his own war against the gang; and a young store clerk who harbors a terrible secret.

Based on incidents that occurred a few miles from the author's childhood home, *Hell at the Breech* chronicles the events of dark days that led the people involved to discover their capacity for good, evil, or for both.
