Oswego Township Oswegoland Heritage Association, Roger Matile

In 1832, John, Walter, and Daniel Pearce, and their brother-in-law, William Smith Wilson, walked west from their homes in Ohio prospecting for land. When they reached the Fox River in the vicinity of modern Oswego, they agreed they had found the place they wanted to settle. The next year, 1833, after selling their Ohio farms, they traveled west by wagon with their families and became the first settlers in Oswego Township. Just two years later, Lewis B. Judson and Levi F. Arnold laid out a new village on land first claimed by Wilson, creating the foundation of today's bustling village of Oswego. A stagecoach route crossroads, the seat of Kendall

County for nearly 20 years, and a market town for the surrounding agricultural area, Oswego grew steadily until the Civil War. After the war, growth slowed until the second half of the 20th century when the area began to boom, both in population and economically. This book offers many of the area's newest residents a chance to look back at Oswego Township's rich heritage.
