The Pilgrim's Progress (Yesterday's Classics) John Bunyan

The wonderful adventures of Christian, the Pilgrim, on the King's highway. How he passed the lions and fought a dragon; escaped from the prison of Giant Despair; visited the Palace Beautiful and the shepherds of the Delectable Mountain, and, crossing the dark river, entered in triumph the Celestial City. One of the three great allegories of the world's literature, the experiences of the Christian life, cast into the form of a story of a man who journeyed from this world to the next, have fresh interest for each generation of readers. Richly adorned by the Rhead brothers with decorative borders and many elaborate full-page illustrations. Suitable for ages 9 and up.
