With no memories and no identity, the sixteen-year-old girl who was found floating among the wreckage of a devastating plane crash knows only one thing for certain: nothing is what it seems. Crippled by a world she doesn't know, plagued by abilities she doesn't understand, and haunted by a looming threat she can't remember, Seraphina struggles to piece together her forgotten past and discover who she really is. But with every clue comes more questions. And she is running out of time to answer them. Her only hope is a strangely alluring boy who claims to know her from before the crash. Who claims they were in love. But can she really trust him? And will he be able to protect her from the people who have been making her forget?
