A Flight of Angels REBECCA GUAY

The diverse mythology of angels is explored in this lushly painted graphic novel from high-profile fantasy authors including Holly Black (The Spiderwick Chronicles) and Bill Willingham (FABLES).

Deep in the woods outside of a magical kingdom, a strange group of faeries and forest creatures discover a nearly dead angel, bleeding and unconscious with a sword by his side. They call a tribunal to decide his fate, each telling stories that delve into different interpretations of these winged, celestial beings: tales of dangerous angels, all-powerful angels, guardian angels and death angels, that range from the mystical to the mysterious to the macabre.

This original graphic novel spotlights the painted work of award-winning artist Rebecca Guay, whose other works include the Vertigo titles VEILS and DESTINY: A CHRONICLE OF DEATHS FORETOLD, as well as World of Warcraft, Magic: The Gathering and Dungeons and Dragons.

From reader reviews:

Clifford Ranger:

Do you have favorite book? In case you have, what is your favorite's book? Publication is very important thing for us to learn everything in the world. Each e-book has different aim or perhaps goal; it means that reserve has different type. Some people really feel enjoy to spend their a chance to read a book. They can be reading whatever they get because their hobby is usually reading a book. What about the person who don't like examining a book? Sometime, man feel need book once they found difficult problem or perhaps exercise. Well, probably you will need this A Flight of Angels.

Ella Straw:

Book is to be different for every single grade. Book for children until finally adult are different content. As we know that book is very important for all of us. The book A Flight of Angels was making you to know about other expertise and of course you can take more information. It is rather advantages for you. The book A Flight of Angels is not only giving you considerably more new information but also being your friend when you feel bored. You can spend your personal spend time to read your book. Try to make relationship with the book A Flight of Angels. You never really feel lose out for everything should you read some books.

Lillian Burbank:

As people who live in the modest era should be up-date about what going on or details even knowledge to make these people keep up with the era which is always change and move forward. Some of you maybe may update themselves by studying books. It is a good choice for you but the problems coming to an individual is you don't know what type you should start with. This A Flight of Angels is our recommendation to cause you to keep up with the world. Why, since this book serves what you want and wish in this era.

Larry Pulido:

Is it an individual who having spare time subsequently spend it whole day by simply watching television programs or just telling lies on the bed? Do you need something totally new? This A Flight of Angels can be the solution, oh how comes? The new book you know. You are and so out of date, spending your extra time by reading in this new era is common not a geek activity. So what these books have than the others?
