Ambientalistas em Movimento no Brasil (Portuguese Edition) Cristiana Losekann

A presente obra oferece ao menos dois conjuntos de discussões que deverão interessar ao leitor. Um deles refere-se a um debate caro às ciências sociais concernente aos estudos sobre as relações entre Estado e sociedade civil e sobre participação política. Nesse sentido, o livro apresenta uma discussão teórica em perspectiva crítica e aponta para os limites das teorias problematizando-as a partir de evidências empíricas. O trabalho traz uma ampla revisão da literatura sobre os conceitos de sociedade civil e esfera pública sem deixar de apontar para seus interlocutores mais críticos. Apresenta, ainda, uma abordagem alternativa, relacional, através da revisão de autores pós-estruturalistas e interacionistas. O segundo conjunto de discussões ressaltado aqui, será interessante ao pesquisador do ambientalismo e dos conflitos ambientais. A pesquisa empírica realizada reuniu dados qualitativos amplos, com apresentação de fontes primárias que estão expostas de forma original no livro - permitindo aos pesquisadores o desenvolvimento de outras análises. Dentre os dados encontramos questões relativas a conflitos ambientais ainda presentes e relevantes nos dias atuais, tais como: a liberação dos transgênicos, a transposição do rio São Francisco e o licenciamento do Complexo Hidrelétrico do Rio Madeira.
