**What Do We Really Know About Angels?**

What--or who--are angels? Where did they come from, and what is their purpose? What is their relationship to us as human beings?

This studyguide explores the numerous Bible passages that reveal the services these heavenly beings perform, the part they play in spiritual warfare, and how they differ from other beings in God's created order.

Most importantly, you'll learn to see angels in the fuller context of God's presence, glory, and eternal purposes.
