Miniature Empires: A Historical Dictionary of the Newly Independent States James Minahan

The 20th century's most protracted conflict, the Cold War, also provided the longest and most stable peace in the history of the modern world--a fragile peace that came at the price of national freedom for many people. With the demise of the Cold War, new nearly-unknown countries, long ignored or suppressed, came to the attention of the world, as ethnic and national conflicts, rooted in the multi-ethnic populations of the newly independent states, emerged. From Bosnia-Herzegovina and Macedonia to Eritrea and Uzbekistan, *Miniature Empires* provides an essential guide to the states recognized since 1989 and the "nations" that dwell within their borders.

Miniature Empires is the first reference book to address the post-Cold War nationalist resurgence by focusing on the nations within the new nation-states--both the core nationalities and the national minorities. Each article highlights the historical, political, social, and economic evolution of the new nations.

Outstanding Academic Book

From reader reviews:

Steven Page:

The book *Miniature Empires: A Historical Dictionary of the Newly Independent States* gives you the sense of being enjoy for your spare time. You can utilize to make your capable much more increase. Book can to get your best friend when you getting anxiety or having big problem using your subject. If you can make reading through a book *Miniature Empires: A Historical Dictionary of the Newly Independent States* being your habit, you can get far more advantages, like add your personal capable, increase your knowledge about some or all subjects. You could know everything if you like start and read a reserve *Miniature Empires: A Historical Dictionary of the Newly Independent States*. Kinds of book are several. It means that, science book or encyclopedia or some others. So , how do you think about this reserve?

Jorge Raines:

Information is provisions for folks to get better life, information currently can get by anyone with everywhere. The information can be a information or any news even an issue. What people must be consider when those information which is inside former life are difficult to be find than now is taking seriously which one works to believe or which one typically the resource are convinced. If you obtain the unstable resource then you get it as your main information you will have huge disadvantage for you. All of those possibilities will not happen inside you if you take *Miniature Empires: A Historical Dictionary of the Newly Independent States* as the daily resource information.

Kelli Valverde:

The reason? Because this *Miniature Empires: A Historical Dictionary of the Newly Independent States* is an unordinary book that the inside of the book waiting for you to snap that but latter it will zap you with the secret the item inside. Reading this book alongside it was fantastic author who all write the book in such wonderful way makes the content inside of easier to understand, entertaining approach but still convey the meaning thoroughly. So , it is good for you because of not hesitating having this any more or you going to regret it. This phenomenal book will give you a lot of positive aspects than the other book have such as help improving your skill and your critical thinking way. So , still want to postpone having that book? If I were you I will go to the e-book store hurriedly.

Lola Kelly:

As a university student exactly feel bored to help reading. If their teacher asked them to go to the library or even make summary for some publication, they are complained. Just small students that has reading's soul or real their interest. They just do what the professor want, like asked to go to the library. They go to generally there but nothing reading seriously. Any students feel that studying is not important, boring along with can't see colorful photos on there. Yeah, it is being complicated. Book is very important in your case. As we know that on this period of time, many ways to get whatever we want. Likewise word says, many ways to reach

Chinese's country. Therefore this Miniature Empires: A Historical Dictionary of the Newly Independent States can make you experience more interested to read.
