Nine Kinds of Naked

Tony Vigorito

Nine Kinds of Naked Tony Vigorito

"As fanciful and inventive in its form... as it is in its observations. It fed tasty crackers to all the hungry parrots in my mental aviary." --TOM ROBBINS

Join cult favorite Tony Vigorito in his acclaimed, surreal whirlwind of a novel exploring chaos theory. A prisoner spins a playing card into a somersault, stirring a whirlwind that becomes a tornado that takes the roof of a church in nearby Normal, Illinois. Elizabeth Wildhack is born in that church and someday she will meet that prisoner, a man named Diablo, on the streets of New Orleans--where a hurricane-like Great White Spot hovers off the coast. But how is it all interconnected? And what does it have to do with a time-traveling serf and a secret society whose motto is "Walk away?"

"Linguistic gymnastics abound... Vigorito demonstrates once again that he's a wild stylist... startlingly original... an entertaining anarchist..." --*The Chicago Sun-Times*
