Switchcraft Mary Castillo

Best friends since back in the day, Aggy and Nely are as different as two women could possibly be. Aggie's slim, stylish, and owns an upscale boutique and a long history of no-strings relationships. Nely has a busy baby, a *metiche* mother-in-law, and some extra post-pregnancy pounds she can't quite shed. And when they reconnect at a New Age spa, each friend finds herself wishing just a little that she had the other one's life.

Big mistake!

Thanks to the metaphysical meddling of a somewhat grumpy guru, Nely is now Aggie and Aggie is Nely—switching bodies, love lives, families, closets . . . everything! The grass may not be quite as green as it originally appeared. As luck has it, they'll be stuck this way until the next full moon! And with a husband, his very suspicious mama, a temperamental tot, a business on the brink of disaster, and a sort-of boyfriend—not to mention a sleazy stalker—thrown into the mix, Aggie and Nely suddenly find they're not just walking in each other's shoes . . . they're running!

From reader reviews:

David Hernandez:

Why don't make it to become your habit? Right now, try to prepare your time to do the important act, like looking for your favorite publication and reading a reserve. Beside you can solve your short lived problem; you can add your knowledge by the reserve entitled Switchcraft. Try to the actual book Switchcraft as your good friend. It means that it can to be your friend when you experience alone and beside those of course make you smarter than in the past. Yeah, it is very fortunated for yourself. The book makes you a lot more confidence because you can know every little thing by the book. So , we should make new experience in addition to knowledge with this book.

Tonya Deschamps:

Book is to be different for every single grade. Book for children until finally adult are different content. As we know that book is very important for us. The book Switchcraft has been making you to know about other knowledge and of course you can take more information. It doesn't matter what advantages for you. The e-book Switchcraft is not only giving you far more new information but also being your friend when you really feel bored. You can spend your personal spend time to read your reserve. Try to make relationship while using book Switchcraft. You never truly feel lose out for everything if you read some books.

Julia Flowers:

As people who live in the particular modest era should be change about what going on or facts even knowledge to make these individuals keep up with the era that is certainly always change and move forward. Some of you maybe will certainly update themselves by looking at books. It is a good choice for yourself but the problems coming to a person is you don't know what one you should start with. This Switchcraft is our recommendation to cause you to keep up with the world. Why, since this book serves what you want and want in this era.

Michael Albin:

Are you kind of stressful person, only have 10 or 15 minute in your day time to upgrading your mind proficiency or thinking skill even analytical thinking? Then you have problem with the book than can satisfy your limited time to read it because this all time you only find book that need more time to be read. Switchcraft can be your answer because it can be read by an individual who have those short extra time problems.
