The Girl's Got Bite: The Original Unauthorized Guide to Buffy's World Kathleen Tracy

Buffy Summers is just your average teenager with everyday problems except for one teeny tiny thing-she's the Vampire Slayer. Balancing homework with her duties as the one chosen to rid the Earth of evil forces sometimes puts a crimp in Buffy's social life, but she manages. That the buff high schooler can annihilate vampires and other monsters while remaining fashionably dressed and cutely dressed illustrates the dichotomy that is Buffy.

In this companion guide Kathleen Tracy covers all aspects of the Buffy phenomena--from the 1992 feature film starring Kristy Swanson and Luke Perry, to the development and production of the hit TV series starring Sarah Michelle Gellar. Based on interviews with the show's creator, producers and principal cast members, the book includes cast biographies, critical summaries of each episode, trivia, behind-the-scenes anecdotes, and more.

Like the series, *The Girl's Got Bite* combines the thoughtful (an essay on slayer mythology throughout history) with the frivolous for a frightfully good time.
