But the last straw is the fact that Faith would gladly put up with all of it, if *she* could be Cabot's bride....

Beauty and brains...what a curse!

Charity Sumner is a scientist, not just another pretty face, and she intends to prove it! Disguising herself as a plain Jane, she ventures to win a position with the brilliant Dr. Jason Segal. But the only position Jason is interested in at the moment is horizontal. He wants a gorgeous woman to crave his body, not just his mind. Charity's more than willing to solve the devastatingly delicious doctor's problem, but how can she suddenly get real?
