A surveillance tape showing the murder of a young woman is left on Chicago TV documentary producer, Ellie Foreman's doorstep. When she hands the video to police, they're not interested in who the woman was. Except Officer Georgia Davis, who joins Ellie to solve the crime.

A little digging reveals that the murder victim was a diamond courier with a dark history forged in Eastern Europe after the collapse of the USSR. And a little more digging leads them back home to money laundering, shady real estate deals, and the deadly price of dealing in diamonds.

An Image of Death brings together for the first time two of Chicago's finest female investigators in what became a prequel to Hellmann's 2014 best-selling thriller, *Nobody's Child*.
