Meet Phoenix, a seeming madman walking the Himalayas in search of the **immortal master Babaji**. No money, map, or shoes--only the conviction that the Universe provides. Following the ancient yogic techniques passed down by *rishis*, or illumined sages, he uses the frequencies pulsing from his heart to impart eternal truths to those encountered throughout the journey. The astral beings that guide him also offer their wisdom on topics including:

- * **Accessing the subtle energy currents inside the heart**
- * **Opening the third eye**
- * **Cleansing the body of unwanted energy**
- * **Using specific meditations to attain divine communion.**

Those who take the plunge with Phoenix into the depths of love will find that while his journey was extraordinary, both the struggles he endured, and the triumphs he celebrated were not unlike those we encounter in our everyday lives.
