b>*Reflections of the Brewmaster*.

Born in **1929** at the height of the **Great Depression**, Robert Penza grew up during desperate times. With the onset of **Prohibition** his father began a new *family* business, bootlegging. Filled with touching stories told through the eyes of a young boy coming of age and learning to meet the challenges of the growing family business, *Reflections of the Brewmaster* is a colorful story of a time long gone. Filled with oddball characters and chance meetings with the likes of Al Capone, Eddie Rickenback and more, *Reflections of the Brewmaster* will bring you back to a time of America's innocence. The end of Prohibition led to the founding of the Eastern Brewing Co. in Hammonton, New Jersey. Robert would become the Brewmaster producing *Old Bohemian*, *Milwaukee*, *Holland Brand* and *Old German Brand* beers. Complete with history, insights, tips and recipes gathered over a lifetime of beer making, today's home brewer will see beer making from a whole new perspective. *Reflections of the Brewmaster* offers something for all of us to reflect upon and be thankful for.
