The Decroux Sourcebook

The Decroux Sourcebook

The Decroux Sourcebook is the first point of reference for any student of the ‘hidden master’ of twentieth century theatre.

This book collates a wealth of key material on Etienne Decroux, including:

- an English translation of Patrice Pezin’s ‘Imaginary Interview’, in which Decroux discusses mime’s place in the theatre.
- previously unpublished articles by Decroux from France’s *Bibliothèque Nationale*.
- essays from Decroux’s fellow innovators Eugenio Barba and Edward Gordon Craig, explaining the synthesis of theory and practice in his work.

Etienne Decroux’s pioneering work in physical theatre is here richly illustrated not only by a library of source material, but also with a gallery of images following his life, work and influences.

The Decroux Sourcebook is an ideal companion to Thomas Leabhart’s *Etienne Decroux* in the *Routledge Performance Practitioners* series, offering key primary and secondary resources to those conducting research at all levels.

From reader reviews:

Justin Moore:

Book is written, printed, or descriptive for everything. You can learn everything you want by a reserve. Book has a different type. We all know that that book is important factor to bring us around the world. Beside that you can your reading skill was fluently. A publication The Decroux Sourcebook will make you to end up being smarter. You can feel much more confidence if you can know about every thing. But some of you think this open or reading any book make you bored. It's not make you fun. Why they are often thought like that? Have you searching for best book or acceptable book with you?

Ronald Brun:

Nowadays reading books are more than want or need but also turn into a life style. This reading addiction give you lot of advantages. The benefits you got of course the knowledge the actual information inside the book this improve your knowledge and information. The knowledge you get based on what kind of book you read, if you want get more knowledge just go with schooling books but if you want experience happy read one with theme for entertaining like comic or novel. Typically the The Decroux Sourcebook is kind of book which is giving the reader unforeseen experience.

Bertha Montes:

Information is provisions for people to get better life, information presently can get by anyone with everywhere. The information can be a understanding or any news even restricted. What people must be consider while those information which is within the former life are challenging be find than now could be taking seriously which one works to believe or which one the particular resource are convinced. If you have the unstable resource then you get it as your main information there will be huge disadvantage for you. All of those possibilities will not happen throughout you if you take The Decroux Sourcebook as your daily resource information.

Ron Taylor:
