### **Those Girls** Lauren Saft **Some girls will always have your back, and some girls can't help but stab you in it.**

Junior year, the suburbs of Philadelphia. Alex, Mollie and Veronica are *those girls*: They're the best of friends and the party girls of the school. But how well does everybody know them--and really, how well do they know one another? Alex is secretly in love with the boy next door and has joined a band--without telling anyone. Mollie suffers from a popular (and possibly sociopathic) boyfriend and a serious mean streak. And Veronica just wants to be loved--literally, figuratively, physically...she's not particular. Will this be the year that bonds them forever or tears them apart for good?

In a debut novel that is raw, honest, hilarious, and thought-provoking, Lauren Saft masterfully conveys what goes on in the mind of a teenage girl and how often even the closest of friends walk the thin line between love and hate.
