## Wishes and Stitches (Cypress Hollow Yarn Book 3) Rachael Herron

It has always been Naomi Fontaine's dream to practice small-town medicine—an ambition that brought her to Cypress Hollow, the charming, tight-knit community her late friend, knitting guru Eliza Carpenter, loved so well. But no matter how hard she tries, Naomi can't seem to fit in here. Then rugged Rig Keller moves in to take over half of Naomi's medical practice, and instantly charms everyone in town . . . including Naomi.

Rig saw what a broken relationship did to his brother, and has no interest whatsoever in getting serious. But the temptation to play doctor with his new partner is just too strong to resist. Any chance they might have of being truly knit together by love, however, depends entirely on what secrets they are willing to reveal . . . and on Rig's willingness to risk his heart and Naomi's desire to open hers completely.
