## **Antifa (Unaltrastoria) (Italian Edition)** Valerio Gentili

Dove e quando ebbe inizio il cammino di Alba dorata, il movimento neonazista greco che ha recentemente scosso l'immaginario della democratica Europa? Cosa ha permesso al Front national francese di divenire il partito più votato tra la classe operaia d'Oltralpe? Chi ha contribuito alle fortune elettorali dei neofascisti seguaci del defunto fuhrer austriaco Jorg Haider? Questo libro ripercorre le vicende europee legate alla prepotente rinascita del radicalismo di Destra all'indomani del crollo del muro di Berlino, ma soprattutto la storia misconosciuta di quei gruppi antifascisti che ad esso si contrapposero. Una guerra sotterranea, combattuta senza esclusione di colpi lontano dai riflettori dei Media e della politica mainstream. Antifa, Black block, Chasseurs... uno scontro sanguinoso per le strade del vecchio continente tra uomini, simboli e vessilli irriducibilmente antitetici nel cuore dell'attuale Europa globalizzata.
