A lush gothic tale that begs for reading...I couldn't put it down." —*New York Times* bestselling author Sarah Maclean

I was obsessed.

It was as if he called to me, demanding I reach out and touch the brushstrokes of color swirled onto the canvas. It was the most exquisite portrait I'd ever seen—everything about Lord Denbury was unbelievable...utterly breathtaking and eerily lifelike.

There was a reason for that. Because despite what everyone said, Denbury never had committed suicide. He was alive. Trapped within his golden frame.

I've crossed over into his world within the painting, and I've seen what dreams haunt him. They haunt me too. He and I are inextricably linked—bound together to watch the darkness seeping through the gas-lit cobblestone strets of Manhattan. And unless I can free him soon, things will only get *Darker Still*.
