Drawing Lessons from a Bear

David McPhail

Drawing Lessons from a Bear David McPhail

A young bear begins to make claw marks on the floor during his usual "how to be a bear" lessons. Soon he's collecting paper and drawing rocks, trees, clouds, birds, and even dinosaurs as he dreams of becoming an artist. With characteristic whimsy and lively watercolors, David McPhail portrays the unusual life of an artist who just happens to have been a bear, and tells how you can be an artist, too.
