Edge Jeffery Deaver

Behind the well-known U.S. security organizations— the FBI and CIA among them—lies a heavily guarded, anonymous government agency dedicated to intelligence surveillance and to a highly specialized brand of citizen protection.

Shock waves of alarm ripple through the clandestine agency when Washington, D.C., police detective Ryan Kessler inexplicably becomes the target of Henry Loving, a seasoned, ruthless “lifter” hired to obtain information using whatever means necessary. While Loving is deft at torture, his expertise lies in getting an “edge” on his victim—leverage—usually by kidnapping or threatening family until the “primary” caves under pressure.

The job of keeping the Kessler family alive falls to a man named Corte, a senior federal protection officer known as a “shepherd.” Uncompromising, relentlessly devoted to protecting those in his care and a passionate board game aficionado, he applies brilliant gaming strategy to his work. For Corte, the reappearance of Loving—the man who, six years earlier, had tortured and killed someone close to him—is also an opportunity to avenge his friend’s death. The assignment soon escalates into a fast-paced duel between Corte and Loving, a dangerous volley of wits and calculated risks.

As he shepherds the Kesslers to a concealed safe house, Corte must anticipate Loving’s every step as the lifter moves in on his prey, and with the help of razor-sharp investigator Claire DuBois and his longtime ally, FBI agent Paul Fredericks, pinpoint which of Kessler’s seemingly insignificant cases has triggered Loving’s return. As the team digs deeper, each of the Kesslers comes under close scrutiny, and in captivity their family bonds are stretched to the breaking point—as the lifter draws near, Corte must ultimately choose between protecting his charges and exposing them to a killer in the name of long-awaited revenge.

From reader reviews:

Brian Wilson:

In this 21st one hundred year, people become competitive in each way. By being competitive right now, people have do something to make all of them survives, being in the middle of often the crowded place and notice by simply surrounding. One thing that sometimes many people have underestimated that for a while is reading. Yeah, by reading a e-book your ability to survive increase then having chance to stand up than other is high. In your case who want to start reading some sort of book, we give you this specific Edge book as nice and daily reading book. Why, because this book is usually more than just a book.

George Sanders:

Here thing why that Edge are different and trustworthy to be yours. First of all studying a book is good nonetheless it depends in the content than it which is the content is as scrumptious as food or not. Edge giving you information deeper including different ways, you can find any book out there but there is no publication that similar with Edge. It gives you thrill reading journey, its open up your own personal eyes about the thing in which happened in the world which is possibly can be happened around you. You can actually bring everywhere like in park, café, or even in your way home by train. If you are having difficulties in bringing the printed book maybe the form of Edge in e-book can be your substitute.

Eleanor Abney:

Information is provisions for people to get better life, information currently can get by anyone at everywhere. The information can be a know-how or any news even a problem. What people must be consider if those information which is inside the former life are challenging to be find than now's taking seriously which one is acceptable to believe or which one the particular resource are convinced. If you find the unstable resource then you obtain it as your main information it will have huge disadvantage for you. All those possibilities will not happen in you if you take Edge as your daily resource information.

Richard Brassell:

Reading a book to be new life style in this yr; every people loves to go through a book. When you study a book you can get a large amount of benefit. When you read textbooks, you can improve your knowledge, since book has a lot of information on it. The information that you will get depend on what sorts of book that you have read. In order to get information about your analysis, you can read education books, but if you want to entertain yourself look for a fiction books, this kind of us novel, comics, as well as soon. The Edge will give you a new experience in reading a book.
