God on Paper: The Bible--the Wildest Story of Passion and Pursuit You'll Ever Read (Dialogue of Faith) Bryan C. Loritts

The Bible is the most quoted book in the western world, and likely the most misunderstood. It is often thought to be little more than religious mythology, or a collection of moral and ethical guidelines, or a series of quaint but irrelevant legends.

But what if the Bible were read on its own terms, as a highly personal and unbelievably passionate love story? What if the Bible is really a wild tale of relentless pursuit, the diary of a God who can't bear to be separated from the people he loves?

In *God on Paper* you'll share in a conversation that takes a new look at Scripture, a dialogue that entertains doubts and questions about the value--and the validity--of the Bible. And you'll encounter an amazing love story of divine proportions.

Go ahead and join the conversation. You might be surprised by what you find.

From the Trade Paperback edition.
