Right-Wing Spain in the Civil War Era: Soldiers of God and Apostles of the Fatherland, 1914-45

Right-Wing Spain in the Civil War Era: Soldiers of God and Apostles of the Fatherland, 1914-45

Right-Wing Spain in the Civil War Era explores the lives of the leading Spanish conservatives in the turbulent period 1914-1945. The volume is a collection of biographies of the most important figures of the Spanish Right during the last years of the Restoration, the Dictatorship of Primo de Rivera, the Second Republic, the Civil War and the early years of the Franco regime.

This book brings together a number of leading historians of twentieth-century Spain. By adopting a biographical approach, the volume aims at providing a new insight of the origins, development and aftermath of the Spanish Civil War. Contrary to the traditional view, Right-Wing Spain in the Civil War Era shows a diverse and fragmented Spanish right which, far from being isolated, was profoundly influenced by German Nazism, Italian Fascism and French Traditionalism.

This remarkable and innovative collection of essays will be welcomed by students and lecturers of Spanish history alike.
