Sleep and Pain Gilles Lavigne, Barry J. Sessle, Manon Choinière, Peter Soja

Many in the research and clinical communities are becoming increasingly aware of the interactions between sleep disorders and chronic pain syndromes. There are a number of obstacles on the path to better patient care, and there is considerable room for improvement in the way knowledge is shared between professionals in the sleep and pain communities. This book serves as the first step toward enhancing communication between the sleep and pain communities with the intent of improving patient care.
