The Desert of Mirrors (Aama) Frederik Peeters

A mute child. A harrowing journey. A race for answers. On the fantastical, rapidly evolving world of Ona(ji), Verloc Nim and his companions are heading to the release point of the biotech experiment Aama, a project that now appears to be frighteningly out of control. Faced with an increasingly desperate fight for survival in an ever-changing landscape, the expedition teeters on the brink of collapse. 'The Desert of Mirrors', the third volume of Frederik Peeters' award-winning series, draws us deeper into a complex and unsettling future where creation and loss go hand in hand. As moments of self-reflection and revelation bleed into a vivid reality bordering on madness, the search for Aama continues to raise questions – about the new life around them, about the Muy-Tang Corporation... and about Verloc's own family.
