The Hand on My Scalpel: Humorous & Heartbreaking Stories from a Jungle Operating Room David C. Thompson M.D.

This is not just a book about surgery. It is not even just about surgery in a remote jungle station.

It is about God and His unpredictable working in the life and ministry of a missionary kid from Cambodia who ends up as a medical doctor at an isolated hospital in Gabon, West Africa.

You will laugh when a "simple" outhouse building project turns into a comedy of errors. You will cry when a pregnant, retarded and epileptic girl arrives at the hospital and gives birth to "Grace." But most of all, you will come to understand that there is a love that reaches beyond the possible to embrace the sick and the hopeless and the unlovely—God's love generously displayed by God's servants.
