Was a husband a requirement up here in this wild country?

For Maggie Cortland, a widow struggling to keep her husband's ranch—her beloved land—the answer was crystal clear. She needed a man, preferably one who was big and strong, and not afraid to take risks. And then, out of the rainy Montana sky, this perfect stranger rode up on his Harley, looking for work....

Cain MacCallister hadn't belonged anywhere in so long, he'd forgotten what it felt like. In the four months since his conviction was overturned, he'd drifted. And now this fragile-looking beauty with sadness in her eyes was asking him to be her temporary husband. Could he ever go down that road again?
