Gramma Kilburn's Kitchen is a unique look at farm life in Vermont, as seen through the soul of the farmhouse, the kitchen. Author Jane Philbrick has compiled an intriguing collection of anecdotes, diary entries, memoirs, and authentic recipes collected from one specific, but very typical Vermont farm, which remained in her family for almost a hundred years. Readers will not only get an affectionate portrait of Vermont farm life since mid-nineteenth century, they'll also be able to summon up the tastes and smells from real farm recipes and seasonal menus, and revisit a world that now exists only in memory, and in the hearts of all those who were loved and fed - by Gramma Kilburn.
