## **Knockout Knits: New Tricks for Scarves, Hats, Jewelry, and Other Accessories** Laura Nelkin

An abundance of knitted luxuries--summery lace shawls, warm and wooly hats, a trio of cool knitted bracelets, and stunning beaded gloves--designed to grow your skills.

Who doesn't love to knit accessories? They're fast, often require only a skein or two of yarn, and make amazingly versatile gifts for friends and family. Small knits are also the perfect way to try something new--an unusual stitch pattern, wild multi-colored yarn, or even a touch of sparkle. Laura Nelkin is well-known for designing these fun-to-knit little projects introducing her students and fans to advanced techniques with her signature "You can do it!" enthusiasm. In her first book, she shares her 3 favorite types of knitting using wrapped stitches, lacework, and beads. Each chapter begins with a quick knitted cuff to lay the foundations, then gradually ramps up to more complicated designs. The result is an all-new collection of wearable, feminine knits with a slightly rustic aesthetic. Give them as gifts, stockpile for a chilly day, or dress up a casual outfit--these are knockout projects to enjoy knitting again and again.

*From the Trade Paperback edition.*
