Roberto: The Insect Architect Nina Laden

Ever since he was a wee mite (a termite, that is), Roberto has wanted to be an architect. Discouraged by his wood-eating family and friends, he decides to follow his dream to the big, bug city. There he meets a slew of not-so-creepy, crawly characters who spark in him the courage to build a community for them all.

With stunning collage illustrations and witty text, the creator of the bestselling *The Night I Followed the Dog*, *Private I. Guana*, and *When Pigasso Met Mootisse* brings to life a funny and inspirational story that will encourage readers of any age to build their dreams. Plus, this is the fixed format version, which looks nearly identical to the print version.
