## **Songs of the Island** Ada Negri

Toward the end of March 1923, the Italian writer Ada Negri, who enjoyed an international reputation for her passionate and frank poetry, enjoyed a brief holiday in Sicily. From there she went to the island of Capri, where she stayed for about a year and wrote "Songs of the Island." Her lyrics of Capri, full of sun, blueness and the perfume of oriental roses, are like a seashell: magical, polyphonic in their infinite melodiousness. These poems represent a sort of parenthesis in Negri's work. They are the result of the blinding light of the island, the ardor of a holiday both physical and spiritual. In the words of one critic, they embody "the magic of the tangible and the flashes of invisible reality," and symbolize the poet's hour of quiet and reflection on her path thus far. Via the impressionistic sweep of these images, the poet transports us with Capri's explosion of light and color. Enchanted by pearls, amethyst and jade, the mythological sea of Ulysses, the unstoppable bleeding of poppies, climbing purple roses, and the castaways of dreams, the reader wants to be seduced, if only for a moment, by this world of the senses. Yet, as if fraught with guilt, through the poet the human spirit aspires to a higher self. Translated by Maria A Costantini. First English translation. Dual-language edition. Introduction, bibliography, map, glossary.

#### **Edward Carroll:**

Reading a e-book tends to be new life style in this era globalization. With studying you can get a lot of information that can give you benefit in your life. Having book everyone in this world can easily share their idea. Ebooks can also inspire a lot of people. Many author can inspire their reader with their story or even their experience. Not only the story that share in the guides. But also they write about the information about something that you need example of this. How to get the good score toefl, or how to teach your kids, there are many kinds of book which exist now. The authors on this planet always try to improve their talent in writing, they also doing some analysis before they write to the book. One of them is this Songs of the Island.

#### **Richard Plummer:**

As a scholar exactly feel bored to be able to reading. If their teacher questioned them to go to the library or to make summary for some publication, they are complained. Just little students that has reading's heart and soul or real their hobby. They just do what the instructor want, like asked to go to the library. They go to presently there but nothing reading significantly. Any students feel that studying is not important, boring as well as can't see colorful pictures on there. Yeah, it is to become complicated. Book is very important for yourself. As we know that on this era, many ways to get whatever you want. Likewise word says, many ways to reach Chinese's country. Therefore , this Songs of the Island can make you feel more interested to read.
