Atlas d'anatomie humaine: 1 (French Edition) Frank H. Netter

Depuis 25 ans, l'Atlas d'anatomie humaine Netter est l'atlas de référence internationale.

Le succès de cet ouvrage réside dans la qualité et la beauté du travail du Dr Netter. D'une part, dans la très grande qualité iconographique, scientifique et pédagogique des quelque 900 illustrations et, d'autre part, dans le choix des coupes anatomiques qui rendent compte du point de vue du clinicien.

De plus, le choix des couleurs, l'utilisation de la terminologie anatomique internationale, l'illustration par de nombreux clichés d'imagerie moderne (TDM et IRM) ainsi que des commentaires didactiques facilitent la compréhension et la mémorisation de l'anatomie humaine. L'ouvrage est divisé en huit sections, qui font chacune le tour complet d'une grande région anatomique.

Cette 6e édition, entièrement révisée, s'enrichit d'une vingtaine de nouvelles planches d'anatomie et d'imagerie et plus de la moitié des planches ont été révisées (légendes, dessins). À la fin de chaque section, un tableau récapitulatif des muscles donne pour chacun d'eux : le détail de son attache proximale et distale, son innervation, ses principales actions, sa vascularisation artérielle ainsi que son appartenance aux groupes musculaires.

L'Atlas d'anatomie humaine Netter est l'ouvrage de référence indispensable à tous les étudiants en médecine ; il les accompagnera durant toutes leurs études.

From reader reviews:

Deana Smith:

What do you about book? It is not important along? Or just adding material when you want something to explain what your own problem? How about your time? Or are you busy man? If you don't have spare time to accomplish others business, it is make you feel bored faster. And you have free time? What did you do? Everyone has many questions above. The doctor has to answer that question because just their can do that. It said that about guide. Book is familiar in each person. Yes, it is correct. Because start from on pre-school until university need this specific Atlas d'anatomie humaine: 1 (French Edition) to read.

Timothy Montgomery:

Reading a guide tends to be new life style within this era globalization. With reading through you can get a lot of information which will give you benefit in your life. Along with book everyone in this world can share their idea. Guides can also inspire a lot of people. Many author can inspire their very own reader with their story or maybe their experience. Not only the storyline that share in the textbooks. But also they write about the knowledge about something that you need example. How to get the good score toefl, or how to teach your young ones, there are many kinds of book that you can get now. The authors on earth always try to improve their expertise in writing, they also doing some exploration before they write with their book. One of them is this Atlas d'anatomie humaine: 1 (French Edition).

Vikki Maynard:

Playing with family in a park, coming to see the marine world or hanging out with good friends is thing that usually you will have done when you have spare time, subsequently why you don't try factor that really opposite from that. A single activity that make you not sense tired but still relaxing, trilling like on roller coaster you are ride on and with addition associated with. Even you love Atlas d'anatomie humaine: 1 (French Edition), you can enjoy both. It is excellent combination right, you still would like to miss it? What kind of hang-out type is it? Oh can occur its mind hangout fellas. What? Still don't buy it, oh come on its identified as reading friends.

Rachel Leadbetter:

It is possible to spend your free time to study this book this publication. This Atlas d'anatomie humaine: 1 (French Edition) is simple to create you can read it in the area, in the beach, train and soon. If you did not possess much space to bring the actual printed book, you can buy often the e-book. It is make you quicker to read it. You can save the actual book in your smart phone. And so there are a lot of benefits that you will get when one buys this book.
